Dear Conference Participant:

On behalf of the Texas Association for Court Administration (TACA) and its Board of Directors I would like to welcome you to Grapevine and the great State of Texas! We are looking forward to an awesome week.

NACM has done an outstanding job with the curriculum and speakers. This week will be challenging for each of us as we strive to learn as much as our minds will allow. The NACM vendor show is always a delight to attend. Each year we are eager to see what is new and different and then anxiously await our name to be called when the prizes are given out.

As in the past, it is always great to see old friends and meet new people from across the states and the world. TACA has a strong organization with incredible individuals. I hope you will make every attempt to join us for the social events each evening and meet some of these fine people. We will be helping to host the hospitality suite. I encourage you to come up and get acquainted.

If you need help with the area or general "Texas" questions, call on us we are here to help!

On behalf of TACA, the Texas volunteers and myself, we welcome you to Texas and hope you enjoy this exciting week – Texas style.

Patrice "Trisey" Eubanks
