AllianceOne
Booth #103

www.allianceoneinc.com

AllianceOne, a Teleperformance Company, provides collection services to government clients at the local, state and federal levels. We achieve superior recovery with low to zero complaints through experienced staff, technology and financial strength. Our service incorporates our values: Integrity, Respect, Professionalism, Innovation, and Commitment. Contact AllianceOne today to learn more.

AmCad
Booth #212

www.amcad.com

AmCad, a nationally recognized leader in the government and records marketplace, has been providing solutions and services to government agencies for more than 20 years. AmCad's core suite of products and services helps fully automate all aspects of the daily and long-term operations of courts, utilizing case management, e-Commerce, and enterprise content management.

Aptitude Solutions
Booth #111

www.aptitudesolutions.com

Aptitude Solutions Showcase Court CMS offers the latest workflow technology that can be combined with existing courthouse resources and agencies to track and schedule cases. Designed from the ground up and in partnership with a high-volume county court, Showcase is capable of supporting courthouse processes as case management needs change and grow.

American Telesource, Inc. (ATI)
Booth #106

www.ati-cti.com

ATI, a premier communication solutions provider, offers interactive voice (IVR) and web (IWR) response applications, unified communications, voice-over IP phone systems, contact center solutions, business process automation solutions, and more. ATI helps clients improve efficiency, lower costs, and expand access to information through user-friendly technology solutions.

Comfort Audio/TELTEX

www.teltext.com

Booth #114

Comfort Audio, a leading manufacturer of equipment for people with hearing loss, introduces its simple-to-use, fully customizable, secure digital wireless courtroom listening system to the USA market. Currently used by the State of New Mexico, perfect for Judges, Attorneys, Plaintiffs, Court Reporters, Jurors, and Foreign Language Interpreters.

CourtCall

www.CourtCall.com

Booth #104

CourtCall created the turnkey Telephonic Court Appearance Industry in 1995 and currently provides service to over 1,900 Courts in 42 states. CourtCall is an organized and voluntary way for busy attorneys to appear telephonically in court from their office, home, or other convenient locations. CourtCall saves attorneys valuable time, reduces the fees for the clients, and aids in reducing the cost of litigation.

Courthouse Technologies

www.courthouse-technologies.com

Booth #214

We use our experience in the jury management field to provide courts with the ability to modernize their jury operations through new technology and services. We can increase your yield and save your court money, all while allowing you to do more with less.

CourtView Justice Solutions

www.courtview.com

Booth #117

CourtView Justice Solutions engineers, installs, and supports justice information and process management systems. We help courts, clerks, prosecuting attorneys, public defenders, probation offices, detention operators, and law enforcement agencies enhance operations, increase access to justice, and improve public safety. Our software implements paper-on-demand environments and integrates with many partner and third-party systems.

DLR Group

www.dlrgroup.com

Booth #113

DLR Group is an interdisciplinary design firm providing architecture, engineering, planning, and interior design from offices coast-to-coast and in China. Our promise is to elevate the human experience through design. This promise inspires sustainable design for a diverse group of public- and private-sector clients, local communities and our planet.

FTR

www.fortherecord.com

Booth #200

ForTheRecord (FTR) is the global leader in providing digital recording and content management solutions for justice and public safety venues, with over 22,500 installations worldwide. The FTR Gold family of courtroom offerings present reliable and cost-effective solutions for capturing and managing court proceedings, across both small and large organizations.

Harris & Harris
Booth #208

www.harriscollect.com

A national leader in premier receivables solutions for more than 40 years, Harris & Harris is committed to the highest level of service and results. We do it through a unique agency/law firm combination, partnership, and technology solutions with a user-friendly, personalized touch designed to your reputation.

Heery
Booth #105

www.heery.com

Heery's professionals have designed more than 20 federal courthouses and dozens of county and municipal court complexes. We will work within your budget to deliver a project that achieves your design aesthetic, maximizes operational/space efficiencies, and enhances security. We bring an exceptional level of expertise to all assignments.

Infax
Booth #115

www.infax.com

Announcing CourtSight, a comprehensive suite of software to help court staff share information with the public. It features DocketCall, the industry's leading courthouse LCD wayfinding system, and includes tools to publish public notices, agendas, and calendars; manage jury selection and check-in; and display public address messages. Stop by for details!

INTRESYS-TurboCourt
Booth #116

www.turbocourt.com

TurboCourt's proven award-winning technology empowers statewide, large, and small court deployments. Our recession-proof, flexible models enable any court to become more productive, effectively utilize resources, and sustain and increase revenues. *TurboCourt Intelligent Interactive™* e-filing for all courts, litigants and cases – saving clerks' time, empowering courts, serving the public, and increasing revenue!

Jury Systems
Booth #108

www.jurysystems.com

Jury Systems Incorporated is, and always has been, singularly focused on the Jury. At JSI we build, sell, and support jury systems. We are dedicated to providing you the resources required to insure that your Jury Operation is a success. We understand that quality customer support is critical to your success. To that regard, our support is unparalleled in the industry.

Justice Systems

www.justicesystems.com

JSI has provided case management solutions to the judiciary for over 27 years. With hundreds of man years experience working with courts, prosecutors and public defenders, JSI consistently provides integrated industry leading technologies for the judiciary in such areas as case management, data sharing, e-commerce, public access, e-filing and document management, all based on the latest industry standards.
